Trade-Marked
Goods**

Mr. Retailer:

The displays of Alberta Trade-Marked Goods held at the Calgary Stampede and the Edmonton Exhibition were visited by more than 120,000 interested consumers. From the comments and inquiries made, there is no doubt that the quality of the products of Alberta manufacturers was a revelation.

With the display over, we now begin the second phase of the campaign to advertise Alberta Trade-Marked Goods. Beginning in September and continuing for forty weeks, four leading daily newspapers will carry full-page advertisements showing the names and trade marks of leading Alberta manufacturers, whose goods entitle ultimate consumers to a 5% bonus. The advertisements will mean a greater demand for their products, and it will mean more business for you.

Later in the Fall a "Buy Alberta Trade-Marked Goods Week" will be held. Further particulars regarding this spectacular event will be made public in due time.

This is a campaign to help Alberta. Your co-operation is invited. Help put it over—be prepared for better business.

Yours truly,

GEORGE A. CLASH,

Chairman, Provincial Marketing Board.
